Bentley Illuminate Sydney 2024 | Agenda

Digital Engineering Services, Transport for NSW Julie Jupp, Associate Professor, Digital Engineering, University of Technology Sydneyl Katharina Gerstmann, Technical Directo WSP in Australia 12:30 Lunch					
Opening Address - State of Australia and New Zealand Infrastructure Industry State Room	08:30	Registration Open			
1036 Trends and Challenges for Infrastructure in NSW State Room 1037 Trends and Challenges for Infrastructure in NSW State Room 1038 Rex Wightley, Chief Engineer, NSW Department of Planning 1038 Networking Colfee Break 1105 Change and Innovation Journey State Room 1038 Panel Discussion #1 - Digitalizing Project Excellence: Transforming 1039 Infrastructure Development in Australia and New Zealand State Room 1030 Variety State Room 1031 Variety State Room 1032 Panel Discussion #1 - Digitalizing Project Excellence: Transforming 1036 Infrastructure Development in Australia and New Zealand State Room 1037 Variety State Room 1038 Variety State Room 1039 Variety State Room 1039 Variety Simplifying Complexity with Technology State Room 1039 Variety Simplifying Complexity with Technology State Room 1039 Variety Simplifying Complexity with Technology State Room 1030 Variety Simplifying Complexity with Technology State Room 1030 Variety Simplifying Complexity Variety Simplifying Complexity Variety Var	09:00	Welcome and Introduction State Room		Rob Malkin, Senior Regional Director, ANZ, Bentley Systems	
Mike Campbell, Chief Product Officer, Bentley Systems Oilver Conze, SVP, Bentley Systems Oilver Conze, SVP, Bentley Infrastructure Digital Engineering Services, Transport for NSW	09:20	Opening Address - State of Australia and New Zealand Infrastructure Industry <i>State Room</i>		Steve Brogan, Chief of Policy & Research, Infrastructure Australia	
10:35 Networking Coffee Break 10:36 Networking Coffee Break 10:37 Networking Coffee Break 10:38 Networking Coffee Break 10:39 Networking Coffee Break 10:30 Change and Innovation Journey State Room 10:40 Panel Discussion #1 - Digitalizing Project Excellence: Transforming Infrastructure Development in Australia and New Zealand State Room 10:40 Panel Discussion #1 - Digitalizing Project Excellence: Transforming Infrastructure Development in Australia and New Zealand State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room 10:40 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation Panel Pan	09:35	Trends and Challenges for Infrastructure in NSW State Room		Rex Wightley, Chief Engineer, NSW Department of Planning	
Devon Middledlitch, Executive Director Digital Engineering Services, Transport for NSW	09:50			Mike Campbell, Chief Product Officer, Bentley Systems Oliver Conze, SVP, Bentley Infrastructure Cloud, Bentley Systems	
11:25 Simplifying Complexity with Technology State Room Paul Murphy, Chief Information Officer, GHD	10:35	Networking Coffee Break			
Panel Discussion #1 - Digitalizing Project Excellence: Transforming Infrastructure Development in Australia and New Zealand State Room Moderator: Colin Ellam, Chief Executive Officer, Cohesive Chioe Williams, Technical Director Roads, Aurecon Devon Middleditch, Executive Director Chioe Williams, Technical Director Roads, Aurecon Devon Middleditch, Executive Director Chioe Williams, Technical Director Roads, Aurecon Devon Middleditch, Executive Director Chioe Williams, Technical Director Chioe Williams,	11:05	Change and Innovation Journey State Room		Devon Middleditch, Executive Director Digital Engineering Services, Transport for NSW	
Chloe Williams, Technical Director Roads, Aurecon Devon Middleditch, Executive Director Digital Engineering Services, Transport for NSW Julie Jupp, Associate Professor, Digital Engineering, University of Technology Sydney Katharina Gerstmann, Technical Director WSP in Australia 12:30	11:25	Simplifying Complexity with Technology State Room		Paul Murphy, Chief Information Officer, GHD	
12:30 Lunch 13:30 Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room Moderator: Pat McLarin, Segment Director, Civil, Seequent Paul Murphy, Chief Information Officer, GHD Rebecca Dracup, Principal, Sustainability Team Leader, Stantec Steven Coyle, Mobility Digital Lead Australia, Arcadis 14:15 From Data to Decisions - Empowering Infrastructure Intelligence Paul King, Director, Product Solution Engineering, Bentley Systems Elevating Australia and New Zealand's Integrated Transportation Landscape Stater Smith, Solution Architect, Bentley Systems Enterprise CDE Systems Implementation Bob Freeman, Information Management Lead, WSP in Australia Enterprise CDE Systems Implementation Project Excellence: Sydney Airport Franck Morin, Project Controls Manager, John Holland Ernest Downes, Project Controls Manager, John Holland Ernest Downes, Project Excellence: Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airpo	11:45			Moderator: Colin Ellam, Chief Executive Officer, Cohesive	
Panel Discussion #2 - Building a Better Tomorrow: How Digital Transformation is Shaping Sustainable and Resilient Infrastructure State Room Paul Murphy, Chief Information Officer, GHD Rebecca Dracup, Principal, Sustainability Team Leader, Stantec Steven Coyle, Mobility Digital Lead Australia, Arcadis				Chloe Williams, Technical Director Roads, Aurecon Devon Middleditch, Executive Director Digital Engineering Services, Transport for NSW Julie Jupp, Associate Professor, Digital Engineering, University of Technology Sydney Katharina Gerstmann, Technical Director, WSP in Australia	
From Data to Decisions - Empowering Infrastructure Intelligence State Room Paul King, Director, Product Solution Engineering, Bentley Systems Elevating Australia and New Zealand's Integrated Transportation Landscape Stewart Smith, Solution Architect, Bentley Systems Enterprise CDE Systems Implementation Bob Freeman, Information Management Lead, WSP in Australia Steven Controls Manager, Department of Transport and Planning (VIC) Unified Platform for Enhanced Productivity Saloni Upadhyay, Applications Platform Manager, SA Power Networks Leigh Menzel, Manager, SA Power Networks Leigh Menzel, Manager, Airport Steven Coyle, Michael Services), Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport Starting Sustainability Team Leader (Building Asset & Services), Sydney Airport Starting With Information Officer, GHD Rebecca Dracup, Principal, Sustainability Team Leader (Sustainability Dead Australia, Arcadis Steven Coyle, Mobility Digital Lead Australia and New Zealand's Stewart Smith, Solution Architect, Bentley Systems Stewart Smith, Solution Architect, Bentley System	12:30	Lunch			
Track 1: Infrastructure Intelligence State Room Track 2: Integrated Transportation Room 2 14:15 From Data to Decisions - Empowering Infrastructure Intelligence Paul King, Director, Product Solution Engineering, Bentley Systems 14:40 Networking Coffee Break 15:10 Starting with "Real" End in Mind Steven Coyle, Mobility Digital Lead Australia, Arcadis 15:30 Discovering Opportunities through Government Machinery Ban Chee, Reality Data Capture Manager, Department of Transport and Planning (VIC) 15:50 Unified Platform for Enhanced Productivity Saloni Upadhyay, Applications Platform Manager, SA Power Networks Leigh Menzel, Manager, Steven Coyle, Mobility Digital Lead Project Excellence: Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport	13:30			Moderator: Pat McLarin, Segment Director, Civil, Seequent	
From Data to Decisions – Empowering Infrastructure Intelligence Paul King, Director, Product Solution Engineering, Bentley Systems Elevating Australia and New Zealand's Integrated Transportation Landscape Bentley Systems 14:40 Networking Coffee Break 15:10 Starting with "Real" End in Mind Steven Coyle, Mobility Digital Lead Australia, Arcadis 15:30 Discovering Opportunities through Government Machinery Ban Chee, Reality Data Capture Manager, Department of Transport and Planning (VIC) 15:50 Unified Platform for Enhanced Productivity Saloni Upadhyay, Applications Platform Manager, SA Power Networks Leigh Menzel, Manager, Sydney Airport Elevating Australia and New Zealand's Enterprise CDE Systems Implementation Bob Freeman, Information Managerent Lead, WSP in Australia Use of Technology to Drive Real-time Cost Control Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport		is Shaping Sustainable and Resilient Infrastructure State Room			
Empowering Infrastructure Intelligence Engineering, Bentley Systems Integrated Transportation Landscape Bentley Systems 14:40 Networking Coffee Break 15:10 Starting with "Real" End in Mind Steven Coyle, Mobility Digital Lead Australia, Arcadis 15:30 Discovering Opportunities through Government Machinery Ban Chee, Reality Data Capture Manager, Department of Transport and Planning (VIC) 15:50 Unified Platform for Enhanced Productivity Saloni Upadhyay, Applications Platform Manager, SA Power Networks Leigh Menzel, We free Break Entley Systems Entley Systems Entlerprise CDE Systems Implementation Enterprise CDE Systems Implementation Bob Freeman, Information Management Lead, WSP in Australia Use of Technology to Drive Real-time Cost Control Franck Morin, Project Controls Manager, John Holland Ernest Downes, Project Controls Manager, John Holland Project Excellence: Sydney Airport Kim Cohen, Team Leader (Building Asset & Services), Sydney Airport		Track 1: Infrastructure Intelligence State Room		Track 2: Integrated Transportation Room 2
