Labour Productivity

1

Scale with SYNCHRO

Leverage the Right Tools

SYNCHRO was built to grow with your team. Arm yourself with the best tools in field and office to drive maximum project efficiency and to get the job done.

Defeat Construction Villains – Lost Time | Issues | Slow Communication

2

Fly Fast with SYNCHRO Field

Connect Field and Office in Real-Time

Stay connected from up and away. SYNCHRO Field is your mobile solution to capture and access real-time data from the job site. It's your digital clipboard in the palm of your hand – execute on all work tasks in a timely and efficient manner.

Join Forces to Fly High – Automated Data Capturing | Tasks – RFIs, Issues, Forms | Models in Field

3

Look Through Anything with SYNCHRO Control

Get the Whole Picture

See through the confusion. SYNCHRO Control gives you full visibility on project standing and performance to ensure that your team gets the right information at the right time and stays on track and budget.

Use Your X-ray Vision – Document Management | Task Management | Project Intelligence

4

See Into the Future with SYNCHRO 4D

Lead in Virtual Construction

Every superhero needs a sidekick. If your team uses models, SYNCHRO is for you. Anticipate all “what-if scenarios” so you can identify issues early and share progress updates in an immersive and digital environment.

Slice & Dice Design Components – Interactive Visualizing | Virtual Simulations
